

Seating Capacities/Layouts

A General Wedding/Reception flow follows:

Immediately after the outdoor wedding ceremony in front of the chalet, the guests will be welcomed into the downstairs Braddock room. There, they will be greeted to find their seating cards, coat racks, HorsD'oeuvres, and the Forbes Tap Room. When ready, all guests can proceed upstairs and find their luxurious dining area awaiting their arrival.

Dancing can take place downstairs in the Braddock room.
